To Whom it my concern,

I am writing to express that I have worked very closely with Dorothy spriggs of Suncoast Property Services.

Since October 1, 2011 when she contracted with our Casa Del Sol community her professionalism, knowledge and special attention to detail and needs of our community have gone beyond my expectations.

She works endless hours with our vendors, Attorney, Directors and Membership to maintain a positive and safe community.

Joyce Anderson has expressed her dissatisfaction with every management organization we have employed.

Dorothy has promoted teamwork since her first day with us and our community has greatly benefitted under her guidance.

Thank you,
L. Menendez, Treasurer
Casa Del Sol
