

"THERESA M ZDAZENSKI"

I just want to thank you all for a job well done yesterday. Dorothy, for a great job picking up a poorly written contract, and dealing so elegantly with our resident(s).

Seems to me that we are working very well together, and are on our way to becoming a well oiled machine. I can now say that it is a pleasure to be on the Country Green Village Board. Thank you everyone. Teri

Teri,

Thank you for the comments AND the way you're running the whole operation. And thank you Dorothy for sticking that budget stuff under my nose just before I made a complete fool of myself.

I just checked out the village site on the HP residents site and it looks great, with that picture of our village sign.
